NOTICES

SUNDAY: Collection for the day for life.

DAY FOR LIFE – SPECIAL COLLECTION: *Day for Life is held every year by the Catholic Church in England and Wales, Scotland and Ireland. It is a day dedicated to raising awareness about the meaning and value of human life at every stage and in every condition. The proceeds of the Day for Life collection are used for the promotion of the dignity of the human person. Money collected for Day for Life will be used to fund projects that support work in this area by organisations that further this objective. This year's Day for Liferecognises all those who are suffering or have survived human trafficking and modern slavery.*

Human Trafficking: Cardinal Vincent Nichols our Archbishop has been taking a particular interest in this topic and works very closely with the Pope and Chief of Police Officers from many countries to try and prevent this scourge. He writes: What exactly is human trafficking? Here is a description: Human trafficking is the recruitment, transportation, harbouring or receipt of individuals for the purpose of exploitation, through the use of violence, force, fraud, coercion, or deception, or through the abuse of power, position or trust. People may be trafficked for any number of exploitative activities, such as domestic servitude, prostitution, forced begging or criminality, forced marriage, and forced organ removal. This criminal activity is widespread and well organized in the world today. Estimates are that there are over 40 million victims, trafficked out of every country and trafficked into every country. This includes our own. English victims of trafficking include many youngsters caught up in gang crime in our cities. Victims of trafficking held in this country come from over 80 different homelands and are caught up in an invisible crime in our midst, on our streets, in businesses and shops. As a Church we have a great part to play. Our contacts are widespread, not least among the ethnic communities with their chaplains. We can all learn to recognise the signs of a victim; we can be important 'eyes and ears'. One of our responses to this tragedy, here in the Diocese, is Bakhita House, a house of welcome and healing for these victims. It is supported by Caritas Westminster, by many religious congregations and by many generous donors. In the past three years it has welcomed and assisted over 80 guests, all women rescued from modern slavery. There are also five babies in this great extended family
