The last time a Eucharistic Congress was held in this country was here in London in 1908! Our bishops are planning another national congress – this time in Liverpool from 7th-9th September next year, 2018. Its broad intention is to encourage Eucharistic Adoration in our parishes and to deepen our love for the mystery of Jesus present in the Most Holy Sacrament of the Altar. Over the coming months preparatory material will become available and it is hoped that members of our own congregation will be able to journey to Liverpool to share in next autumn's Congress. If anyone would like to have tickets to attend please let Annette know in the Parish Office as soon as possible.

Parishioners with disabilities Father Gerard writes: Gail Williams, Outreach Co-ordinator St Joseph's Pastoral Centre Hendon, will be visiting the parish in January. St. Joseph's Pastoral Centre aims to assist parishes to find and reach out to people with learning disabilities, and to help them to find a place at the heart of the parish. Gail Williams role is to support families in the parishes in their spiritual and social life. In preparation for her visit it would be good to put together an up to date list of members of our community with learning disabilities. If you are living or caring for an adult or child with a learning disability or know of a member of the parish please contact me and/or fill in the slip below and place it in the box marked **Special Needs** at the back of the church.
