Safeguarding Policy

It is the policy of this parish to protect children, young people and vulnerable adults from physical, emotional or sexual abuse.

This commitment flows from our common belief in and respect for the dignity and uniqueness of every human life.

Each child and young person has a right to expect the highest level of care and protection, love and encouragement that we can give. It is our aim to provide an environment which supports and nurtures children so that they may develop and mature as safe from harm as possible.

Each vulnerable adult is entitled to the utmost care and respect from people who visit them in the Church's name.

The Diocesan Safeguarding Procedures are intended to build such a safe environment to safeguard our people and those who work with them

The Parish Safeguarding Representatives are
Rita Khokhar, Vincentinha Rebelo.

If you have any concerns about the implementation of this policy,
Please phone or 8574 3300 (St Anselm's Rectory).
