URGENT REPAIRS OF THE CHURCH ROOF: We have had an ongoing issues of water leakage from the roof of the church Sanctuary for many years and many investigations were carried out over the last few years. This year the new Diocesan Surveyor instructed Harrow Roofing Ltd to investigate the roof. The parish had to spend £7,440.00 for erecting the scaffolding and testing the roof. The Diocesan Surveyor and the Roofer have concluded that there is an urgent need to replace the defective roof as it has been affected by water ingress over the last few months. To fix this problem we have received a quote from Harrow Roofing Ltd for £10,800.00(including VAT). This will cover the cost to strip roof down to rafters, remove all rubbish from site, New OSB boards to be laid, fixed with angular nails, timber to be fitted to channel the flat roof to an outlet, Arris rail to be fitted internally, new roofing systems to be laid, 3 layers of felt, one layer of tack on felt, followed by two torch on, Technotorch cap sheet and lead outlet to be built with small outlet. See photos of the church roof that needs urgent repairs. We will need the financial support of our parishioners to help carry out these urgent roof repairs.
